

Come and network with some of the top names in Science, Technology, Engineering, and Math at tomorrow's STEM Career Fair!

2016 STEM Career Fair

Tuesday, October 4

10am - 2pm

SIU ARENA

Please note the student entrance for this event will be the west lobby, closest to the Engineering building. Dress code is business professional for entry.

Why attend Career Fairs?

- Seek out full-time opportunities
- Learn about internships
- Get a FREE professional head shot by a professional photographer
- Network with alums and industry leaders
- Talk to 'freshmen friendly' companies about career paths
- Meet your Career Services team
- Find out how to translate YOUR SIU degree into a meaningful career
- And much, much more!

You can find the company list and much more at careerservices.siu.edu!

Interviews Happening This Week (Want an interview? Talk to these company reps at the STEM Fair!)

- Archer Daniels Midland
- ASSA ABLOY
- Boeing
- Cisco Meraki
- Cummins
- General Cable
- Missouri Department of Transportation
- Whiting-Turner

Also, don't forget about Saluki Recruiting - the exclusive job search engine for Salukis (<https://siu-csm.symplicity.>)!
