Attendance
I strongly encourage regular attendance in my classes and will take attendance at the beginning of each class. You are responsible for all announcements and for all material presented in the lecture sessions.

Turning in work
Turn in your work on time. Your works should be turned in before I start the class.

Final Notes
1) Personal laptops and cell phones are not allowed to be used in the class.
2) During the lab sessions, computers should be only used for doing the lab assignments and reading class materials.
